THE BRAIN & BEHAVIOR RESEARCH FOUNDATION

is committed to awarding research grants to develop improved treatments, cures, and methods of prevention for mental illness. Since 1987, BBRF has awarded more than \$450 million to fund 6,500 grants to more than 5,400 leading scientists around the world.

100% of every dollar donated for research is invested in our research grants. Our operating expenses are covered by separate foundation grants.
