

Setting up a Fundraiser Page for Mental Health Research

[BBRF.ORG/MEMORIAL](https://bbrf.org/memorial)

The screenshot shows a form titled "Fundraising Page Information" with the following fields and options:

- Campaign Title ***: A text input field with a copy icon.
- Page Link ***: A text input field with a pre-filled URL: `https://bbrfoundation.donordrive.com/campaign/`
- Campaign Date (Optional)**: A date input field with a calendar icon and a placeholder `mm/dd/yyyy`. Below it is the instruction: "Show a date for your campaign on your fundraising page."
- Fundraising Goal ***: A text input field with a dollar sign icon.
- Make a Donation ***: Two radio button options: "Yes! I'd like to make a donation toward my fundraising goal" (selected) and "No thanks."
- Donation Amount ***: A text input field with a dollar sign icon.

1. Campaign Title:

Enter a name for your page. Examples: **In Memory of John Smith** or **Running for a Cure**

2. Page Link:

Enter the last word or phrase of the URL (link) you'll send to your friends/family. Use a word or series of words (without spaces between) that will be easy to remember. Examples:

<https://bbrfoundation.donordrive.com/campaign/john-smith> or

<https://bbrfoundation.donordrive.com/campaign/running-for-a-cure>

3. Campaign Date:

If you are fundraising for an event, enter the date of the event.

4. Fundraising Goal:

Enter a fundraising goal amount. This amount can be changed at any time by logging back into your account.

5. Make a Donation & Donation Amount:

Here, you have the option of kicking things off with a donation to set an example for your friends and family to support.

On behalf of the millions of people living with mental illness and the many scientists dedicated to improving treatments and ultimately finding cures, thank you.
